

LIMITED WARRANTY CERTIFICATE

Index Designs, LLC

Covering Index Designs, LLC Rotary Table Equipment

Effective November 1, 2016

Index Designs LLC (“Index Designs” or “Manufacturer”) provides a limited warranty on all new rotary tables and their components (except those listed below under Limits and Exclusions of Warranty) (“Components”) that are manufactured by Index Designs and sold by Index Designs or its authorized distributors as set forth in this Certificate. The warranty set forth in this Certificate is a limited warranty, it is the only warranty by Manufacturer, and is subject to the terms and conditions of this Certificate.

Limited Warranty Coverage

Each Rotary Table and its Components (collectively, “Index Designs Products”) are warranted by Manufacturer against defects in material and workmanship. This warranty is provided only to an end-user of the Rotary Table (a “Customer”). The period of this limited warranty is one (1) year. The warranty period commences on the date the Rotary Table is installed at the Customer’s facility.

Repair or Replacement Only

Manufacturer’s sole liability, and Customer’s exclusive remedy under this warranty, with respect to any and all Index Designs products, shall be limited to repairing or replacing, at the discretion of the Manufacturer, the defective Index Designs product.

Disclaimer of Warranty

This warranty is Manufacturer's sole and exclusive warranty, and is in lieu of all other warranties of whatever kind or nature, express or implied, written or oral, including, but not limited to, any implied warranty of merchantability, implied warranty of fitness for a particular purpose, or other warranty of quality or performance or noninfringement. All such other warranties of whatever kind are hereby disclaimed by Manufacturer and waived by Customer.

Limits and Exclusions of Warranty

Components subject to wear during normal use and over time, including, but not limited to, paint, seals, gaskets, belts and cables are excluded from this warranty. Manufacturer's specified maintenance procedures must be adhered to and recorded in order to maintain this warranty. This warranty is void if Manufacturer determines that (i) any Index Designs Product was subjected to mishandling, misuse, abuse, neglect, accident, improper installation, improper maintenance, improper storage, or improper operation or application, including the use of improper coolants or other fluids, (ii) any Index Designs Product was improperly repaired or serviced by Customer, an unauthorized service technician, or other unauthorized person, (iii) Customer or any person makes or attempts to make any modification to any Index Designs Product without the prior written authorization of Manufacturer, and/or (iv) any Index Designs Product was used for any non-commercial use (such as personal or household use). This warranty does not cover damage or defect due to an external influence or matters beyond the reasonable control of Manufacturer, including, but not limited to, theft, vandalism, fire, weather condition (such as rain, flood, wind, lightning, or earthquake), or acts of war or terrorism.

Without limiting the generality of any of the exclusions or limitations described in this Certificate, this warranty does not include any warranty that any Index Designs Product will meet any person's production specifications or other requirements, or that operation of any Index Designs Product will be uninterrupted or error-free. Manufacturer assumes no responsibility with respect to the use of any Index Designs Product by any person, and Manufacturer shall not incur any liability to any person for any failure in design, production, operation, performance, or otherwise of any Index Designs Product, other than repair or replacement of same as set forth in the warranty above.

Limitation of Liability and Damages

Manufacturer will not be liable to Customer or any other person for any compensatory, incidental, consequential, punitive, special, or other damage or claim, whether in an action in contract, tort, or other legal or equitable theory, arising out of or related to any Index Designs product, other products or services provided by Manufacturer or an authorized distributor, service technician, or other authorized representative of Manufacturer (collectively, "authorized representative"), or the failure of parts or products made by using any Index Designs Product, even if Manufacturer or any authorized representative has been advised of the possibility of such damages, which damage or claim includes, but is not limited to, loss of profits, lost data, lost products, loss of revenue, loss of use, cost of down time, business good will, any damage to equipment, premises, or other property of any person, and any damage that may be caused by a malfunction of any Index Designs product. All such damages and claims are disclaimed by Manufacturer and waived by Customer. Manufacturer's sole liability, and Customer's exclusive remedy, for damages and claims for any cause whatsoever shall be limited to repair or replacement, at the discretion of Manufacturer, of the defective Index Designs Product as provided in this warranty.

Customer has accepted the limitations and restrictions set forth in this Certificate, including, but not limited to, the restriction on its right to recover damages, as part of its bargain with Manufacturer or its Authorized Representative. Customer realizes and acknowledges that the price of the Index Designs Products would be higher if Manufacturer were required to be responsible for damages and claims beyond the scope of this warranty.

Entire Agreement

This Certificate supersedes any and all other agreements, promises, representations, or warranties, either oral or in writing, between the parties or by Manufacturer with respect to subject matter of this Certificate, and contains all of the covenants and agreements between the parties or by Manufacturer with respect to such subject matter. Manufacturer hereby expressly rejects any other agreements, promises, representations, or warranties, either oral or in writing, that are in addition to or inconsistent with any term or condition of this Certificate. No

term or condition set forth in this Certificate may be modified or amended, unless by a written agreement signed by both Manufacturer and Customer.

Transferability

This warranty is transferable from the original Customer to another party if the Rotary Table is sold via private sale before the end of the warranty period, provided that written notice thereof is provided to Manufacturer and this warranty is not void at the time of transfer. The transferee of this warranty will be subject to all terms and conditions of this Certificate.

Miscellaneous

This warranty shall be governed by the laws of the State of California without application of rules on conflicts of laws. Any and all disputes arising from this warranty shall be resolved in a court of competent jurisdiction located in Ventura County, Los Angeles County, or Orange County, California. Any term or provision of this Certificate that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof, or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Customer Feedback

If you have concerns or questions regarding this Operator's Manual, please contact us on our website, www.Index DesignsCNC.com. Use the "Contact Index Designs" link and send your comments to the Customer Advocate.

Customer Satisfaction Policy

Dear Index Designs Customer,

Your complete satisfaction and goodwill are of the utmost importance to both Index Designs LLC, and the Index Designs distributor (distributor) where you purchased your equipment. Normally, your distributor will rapidly resolve any concerns you have about your sales transaction or the operation of your equipment.

However, if your concerns are not resolved to your complete satisfaction, and you have discussed your concerns with a member of the distributor's management, the General Manager, or the distributor's owner directly, please do the following:

Contact Index Designs Customer Service Advocate at 818-280-8120. So that we may resolve your concerns as quickly as possible, please have the following information available when you call:

- Your company name, address, and phone number
- The rotary table model and serial number
- The distributor name, and the name of your latest contact at the distributor
- The nature of your concern

If you wish to write Index Designs Automation, please use this address:

Index Designs, LLC

Be aware: Many service and repair procedures should be done only by authorized personnel. The service technicians at Index Designs have the training and experience to do these tasks safely and correctly. You should not do repairs or service procedures unless you are qualified and knowledgeable about the processes.

Danger: Some service procedures can be dangerous or life-threatening. DO NOT attempt a procedure that you do not completely understand. Contact Index Designs and talk to a service technician if you have any doubts about doing a procedure.
